Thanks. We have received confirmation that Jared received an invitation for a call at noon (3pm your time) tomorrow, but we don't yet know his availability. Is that a precursor to the 4:30 EST call or was the 4:30 call rescheduled?

Cliff -

Do you have call-in info? I noticed that Jared was only cc'd on Horst's message below -- is he expected to be on the call? Is Region invited to participate? Jared is out of office today, along with entire senior mgmt team, so we have been unable to determine whether he received an invitation or not, and no one else here received one.

Yes, Horst changed the call to Thursday at 4:30 pm EST (see below)

I don't think the call will discuss anything more than the need for an extension, and that is a done-deal in my mind. The question will be whether FS gives us an exact date, or keeps it more general.

We are on schedule, based on the info in Horst's message, i.e., that he wants our email by midnight Thursday night and the meeting will happen on Friday. I am reviewing the draft email message now, with goal of getting it to R9 senior management today and to you by COB, so that we can get it to Horst by COB tomorrow.

Russ Kaiser's message says that the political call is now being held on Thursday afternoon. That's news to us -- can you confirm? If true, it puts everything on even more of a rush and may make it more difficult to get all of the appropriate people on the call.

See the message below.

Particular reference to the upcoming timelines for action. This is very tight. Please let me know that the appropriate people will be able to participate.

Steve, Cliff Rader is on the message, but please also coordinate with appropriate NEPA folks in OGC.

Let me know if you need anything from me. I expect to be in the office first thing Monday morning, weather permitting.

Thank you,

Ken
